

This **Beneteau Gran Turismo 46** for sale has been extremely lightly used by her owner, showing less than 250 hours run. She has been based in Mallorca since new and her use has been exclusively private. She completed her latest yard period in July 2025 and is ready to go. Professionally maintained and annually serviced despite being little used by her owner. Invoices available for service work over the last years. She is also EU VAT paid and Spanish Matriculation tax paid as well. Possibility of taking over the berth in Cala d'Or.

MOX Beneteau GT46 is extremely well equipped. Highlights of the inventory and specification include: largest engine option with IPS drives, Humphree interceptors, hydraulic platform, hydraulic gangway, opening hard top roof, bow thruster, generator, air conditioning throughout, underwater lights, upgraded upholstery, the upgraded Garmin navigation package and the higher Lounge trim level.

All equipment on board is included with the sale. Viewing of this special yacht is highly recommended and available at short notice by appointment.

## SAFETY

Please note that equipment such as life rafts, EPIRBs, fire extinguishers and flares require regular servicing and/or renewal. If such equipment is left on board as part of the sale, the buyer should ensure that the equipment is suited to their usage plans. Assume that service or replacement will be required after purchase to ensure that all safety equipment complies with any flagging or personal requirements.

As MOX is Spanish registered, she must regularly pass safety checks so all equipment is in date.
